Dear Dr. Whiteman:

This is pursuant to your memorandum relevant to the installation of W.N.Y.U. - F.M. equipment in the Alumni Gymnasium.

I have not had any success in reaching Joseph Steinberg, but for the records I want to put in writing my approval for W.N.Y.U. to install an antenna on top of the Alumni Gymnasium and to set up a small 9' x 13' room within the building.

With all best wishes.

Cordially,

Victor F. Obeck
Director of Athletics
